Annex to the letter dated 8 November 2012 from the Permanent Representative of Kazakhstan to the United Nations addressed to the Secretary-General

Statement by the member States of the Organization of Islamic Cooperation in New York on the Israeli aggression against the Sudan

The permanent representatives of the member States of the Organization of Islamic Cooperation (OIC) in New York strongly condemn the terrorist attack that targeted, on Tuesday, 24 October, the Yarmuk Military Industrial Complex in the Sudanese capital Khartoum, causing the deaths of a number of people and inflicting serious material damage to the premises of the complex. They firmly denounce the attack, which is a blatant violation of the sovereignty of the Republic of the Sudan and a flagrant challenge to international law and the Charter of the United Nations.

The permanent representatives of the member States of OIC in New York reiterate their full solidarity with the Republic of the Sudan against any attempts or practices targeting its security, stability and territorial integrity. They also reconfirm their support for the Sudanese people and for all the measures the Sudanese authorities will take to protect the sovereignty of the Sudan and the security of its citizens.
